IOSH Managing Safely

Course Overview

IOSH Managing Safely is the market-leading health and safety course for line managers and supervisors, providing certificated, globally recognised and respected training.

This tried, tested and trusted course gives managers and supervisors a full understanding of their responsibilities for safety and health within the workplace.

IOSH Managing Safely is a practical programme with a sharp business focus, full of step-by-step guidance and memorable, thought provoking facts and case studies to reinforce key learning points.

The content of the course is delivered in an innovative format, with highly engaging content to inspire your staff and enable you to embed safety and health across your organisation. The modules covered by the course are:

- Introducing managing safely
- Understanding your responsibilities
- Identifying hazards
- Assessing risks
- Controlling risks
- Investigating accidents and incidents
- Measuring performance

Delivery Method

IOSH Managing Safely is a **three day course**, delivered **face to face** by an **experienced and expertly trained IOSH approved trainer**.

You must attend all three sessions before completing the end of course assessments.

At the end of the course, you will be expected to complete a multiple choice question paper, under exam conditions and also a workplace risk assessment project within two weeks of completing the course.

Suitable for

The Managing Safely course is designed for managers and supervisors in any sector and in organisations of all sizes.

There are no entry requirements for this certificate, however it is important that you have a suitable standard of English language in order to understand and articulate the concepts included in the course.

Course Price

The cost is normally £495.00 per person, but we currently have an **introductory discount of £195, so a cost of only £300.00 per person**. Payment can be made via invoice (for companies) or by debit/credit card (for individuals). Internal recharge for North Lincs Council staff (a cost centre & your line manager's approval is required).
