**\* Please note that your place is not guaranteed until you have made payment (must be made at least 6 days before start date) \***

#### Course Overview

The First Aid at Work qualification provides a comprehensive set of **practical skills and knowledge to deal with first aid emergencies.**

Topics within this qualification are regarded by the HSE as being important in maintaining good practice in the safe and effective treatment of injuries and ill health in the workplace.

The course material covers areas such as the roles and responsibilities of the first aider, how to assess an incident and **recognising signs and symptoms of injury and illness.** Also covered are **first aid skills in CPR, the use of an AED and assisting a casualty who is suffering from major injury and illness such as chest injuries, spinal injuries, anaphylaxis and correct use of auto-injectors.**

The content of the course is delivered over 3 days. You will develop the skills and knowledge needed to deal with a range of first aid situations, including:

- Assessing an incident
- Managing an unresponsive casualty
- CPR
- Heart attacks
- Choking
- Head and spinal injuries
- Fractures and anaphylaxis

#### Delivery Method

The First Aid Level 3 qualification is a **three day course**, delivered face to face by an **experienced and expertly trained Highfield approved trainer**. You must attend all three sessions. At the end of the course, you will be

**trained first aid approved trainer.** You must attend all three sessions. At the end of the course, you will be expected to complete a multiple choice question paper, under exam conditions and also a practical assessment.

### **Suitable for**

This is a **nationally recognised qualification**, specifically designed for those who need to be certified to be a first aider in work. It is also ideal for those who have responsibility for first aid in the community or voluntary sector.
