Cybersecurity - Gateway Level 1 Award - Distance Learning	09/09/2024	31/07/2025	Distance Learning - Home	35.00

Course Description

* As this is a Distance Learning course, you can apply at any time during the academic year. However, please note that when you apply for a course, your place is not guaranteed until you receive confirmation from a member of our Customer Services Team *

Gateway Level 1 Award in Cybersecurity

Course Content & Overview

You will learn about cybercrime and the risks and effects it has on individuals and organisations. You will understand routine protective methods used to maintain cybersecurity including the principles of vulnerability and penetration testing and user access control.

You will complete one assignment on Google Classroom following which you will:

- Know about cybercrime
- Know about protective methods to maintain cybersecurity
- Know about legislation and codes of conduct related to cybersecurity

Suitable for

Adults who are looking to learn, update or refresh their knowledge of cybersecurity.

Delivery method

Distance learning - this course is completed via Google classroom.

Application Method

You can apply for this course using the 'Apply Now' button at the top of the page. You will need to complete all relevant details in the application form and to upload the evidence which supports your application (including ID).

If you do not have anyone to help you with this, you can call our friendly team on **01724 297146** and they will be able to take your application details over the telephone.

A member of our Customer Service Team will check your eligibility and forward your application to a course tutor.
