Level 2 Certificate in Understanding Behaviour that Challenges - Distance Learning.

Content and overview

This qualification is designed to increase your awareness and understanding of behaviour that challenges and its effects. By completing the qualification, you will develop in-depth knowledge of behaviour that challenges which could support progression onto other appropriate qualifications and into relevant employment in the health and social care sector. This qualification would be valuable for you who is already working, or about to work in education and the health and social care sector. It is designed to increase awareness and understanding of behaviours that challenge and their effects.

1. Understand behaviour that challenges
2. Understand how to support positive behaviour
3. Understand the importance of effective communication and the management of behaviour that challenges
4. Understand the role of reflection and support for those involved in incidents of behaviour that challenges

Delivery Method

This qualification is delivered as distance learning using Google Classroom. You will have regular contact with your tutor, who will provide feedback as you work through the units.

Suitable for:

This qualification would be valuable for you who are working, or about to work in education and the health and social care sector. It is designed to increase awareness and understanding of behaviours that challenge and their effects.
