### Course Description

#### MULTIPLY PROJECT

#### Managing Your Money

We know that for some people maths can be scary and managing your money can be difficult, especially in the cost-of-living crisis we all find ourselves in.

To help you make your money go a little further, we offer a **FREE 6- hour course** to help you save money with your shopping and provide tips to help manage your money better and help you to budget. We have seen a positive impact on families that have previously attended this course, saving money and sharing ideas.

As part of this initiative, you will receive a **FREE £10.00 Aldi voucher** for every session attended.

**All the following workshops will take place at Ashby Community Hub (unless otherwise specified)**

**Tuesday 3rd December 10am - 12pm @ Ashby Hub**

**All courses are 2 hours per week for 3 weeks commencing:**

**2024:**

Friday 6th December 10am - 12pm @ Ashby Hub

**2025:**

Tuesday 14th January 10am - 12pm @ Ashby Hub

Thursday 30th January 10am - 12pm @ Ashby Hub

#### REFER A FRIEND INCENTIVE

Receive £10 Aldi voucher for every person you refer who attends one of the above courses.

How do I apply?

Please show your interest by clicking the "enquire" button. Alternatively, call our customer service team on 01724 297146 for more details and to book your place.

#### **Progression Route**

You can progress onto another Multiply course, or you may wish to move onto a Maths qualification after building your confidence.
