Course Description

CDM Regulations Workshop - **Applicants from NLC Staff only (see information below)**

This one-day workshop is designed for targeted NLC staff who undertake or will be undertaking construction, planning or project design activities that will need to comply with the Construction, Design and Management Regulations. The content is also suited to other non-construction activities such as highways repairs, maintenance etc.

Content & Overview:

Delivery Method:

Face to face

Suitable for:

NLC staff working in construction, planning, project design, highways or maintenance. Attendees will have been identified by their management.

Entry requirements:

Attendees must be a current NLC staff member working in one of the above areas and be identified by their management. Attendees must be 19+ on 31st August 2025.

Progression route:

Further CDM training including qualifications.

Disclaimer:

When applying for this course, you must provide evidence to confirm eligibility for funding, proof of ID and full address. Applying for a course does not mean you are automatically enrolled. You must be 19+ on 31 August

2025 and a UK resident for at least 3 years.
