Course Description

Content & Overview

These 2-hour workshops are designed to help you build confidence, develop basic skills and get a feel for what studying maths with Adult Education and Community Learning is like.

You'll take part in friendly, interactive activities that reflect everyday situations, and our experienced tutors will support you throughout. The sessions will also help us understand your current level and guide you towards the right next steps.

Whether you're returning to learning or looking to improve your maths, these workshops offer a supportive and welcoming starting point.
