You can apply at any time during the academic year.

English, Maths and Essential Digital Skills courses are all FREE of charge if you do not already have a GCSE grade 4 (or A*- C grade).

As we provide education for adults, many of the courses we offer have the option of doing some learning from home, which allows you to manage your time around work, childcare, etc.

For courses which are delivered face to face, we try to be as flexible as possible, offering some courses in the evening and at different venues, again to help you to continue learning outside of working hours.
