## NCFE Level 2 Certificate In Supporting Teaching And Learning - Blended Learning

### Course Content and Overview:

#### **IMPORTANT: These are the essential entry requirements:**

If you would like a place on this course, prior to attending an onboarding session (see information below), you must ensure that you have the following: The course provides you with an understanding of the knowledge and skills needed when working directly with children.

During the course you will be expected to complete assignments showing knowledge and competence in a range of subjects including:

- children and young people's development
- supporting positive behaviour
- health and safety
- safeguarding
- professional relationships

You will also need to:

- be observed in your workplace
- produce a display
- complete a weekly learner journal

This course is aimed at people working or volunteering in roles that support pupils' learning in primary, secondary or special schools. This is also suitable for people working in colleges who may need a qualification to progress within their career.

1. A placement in a school or college for 1 day a week, or 2 half days per week. The placement setting will need to provide a letter confirming your placement. Or a release letter, if you are employed by the school/college, confirming you can attend all classes. Attending ALL classes is a mandatory requirement of the course.

2. An enhanced DBS (please note these can take up to 12 weeks to obtain)

3. At least Level 1 English or a Grade D at GCSE

### **Additional entry requirements:**

You must be 19+ on 31st August 2026 to join this course

**Delivery Method:**

This is a blended course, which means we will be offering face to face sessions on a twice monthly basis at Ashby Community Hub. You will also spend time working at home to complete assignments on Google Classroom.

**What will happen next?**

After applying, you will be contacted by a member of the Adult Education team. You will then be invited for an initial assessment at Ashby Hub. This will take approximately one hour.

Following this, if you have satisfied all of the initial requirements to be able to do the course, you will be given the choice of one of the onboarding sessions below. At this session, you will need to bring all your evidence, as detailed above, and you will meet the tutor. If you have provided all of the necessary documentation you will be offered a place on the course, given a learner email address and will be provided with more information about the course.
